

Creating Connections for You and Your Children

First 5 Sacramento Community Grants

There are many benefits to **connecting** with others in our community. When family, friends and neighbors get together, they create a **support system** for each other in which they can thrive.

First 5 Sacramento offers **community grants** up to \$5,000 for small groups of parents or caregivers in Sacramento County who have ideas that bring people together. The activities need to benefit children age zero to five. Examples of grant-funded projects include:

- playgroups
- arts and crafts activities
- book clubs
- singing or music circles

Strong **relationships** within a community create a healthier, **safer** place, with people watching out for each other, helping each other, and **sharing** information to raise healthy children.

COMMUNITY GRANTS

can help fund supplies such as books, paper, arts and crafts supplies, photocopies and more!

The community grants are provided through the Community Building Initiative (CBI) of the First 5 Sacramento Commission. The Commission uses Proposition 10 (tobacco tax) funds to support the healthy development of children age zero to five.
